Dear Business Owner/Community Member,

The Indian Wells Valley Youth Softball League is gearing up for our Spring 2023 softball season and we look forward to you being a part of our team. We are continuing to take steps to make Leroy Jackson Sports Complex our permanent home and we are working directly with the City of Ridgecrest Parks & Recreation Department to make improvements to the softball fields. Our mission to provide softball to hundreds of local children and their families is still our number one goal but it can't be accomplished without your help.

Due to an increase in field rental and electricity costs for 2023 we are estimating rental fee costs of \$13000 for the season. This expense will be on top of the normal costs we incur for an IWVYS season. It is only through sponsorship like yours that we will be able to meet these financial demands and raise the money needed for improvement projects. Attached is our "Sponsorship Form", but any contribution would be greatly appreciated.

Sponsorship is important for our league but so are helping hands. See our newly revamped website to see our Sponsorship and Volunteer Pages. We're looking forward to the return of our softball players for another year. Thank you for helping us make this a Grand Slam season!

Sincerely,

Indian Wells Valley Youth Softball League
